Dunklin Democrat: But it is all over, for four years so far as Kennett is concerned. It could not vote on the question, though the county did. There is some talk of the county being asked to vote, soon; but this will not likely be done. Had Kennett gone "wet," the county might have also voted saloons in, for few counties are willing to let any one town get all the dollars that are expended for whiskey and beer. Now, it is not at all likely that Dunklin county would vote wet, at least, not this year.

Watch for the X cross mark on your paper. It means that your subscription is out and you are requested to renew at once, before we stop the paper. Be prompt.

A WOMAN'S WISHES.

Onward, roll onward, of time in thy flight, and make me a woman that's clear out of sight; give me bloomers, the pants and shirts and let me get out of these horrible skirts.

A whisker-producer invent if you can, give me a head that grows bald like a man; grow a tobacco that won't make me sick, and teach me to chew a-lay man, very quick. Let me, oh let me drink whiskey and swear; bet on the chickens and back the fleet mare. Stay out at night, hold office and vote, take in the town and a six shooter tote; sit on the buzza rd roost if I choose, play baseball and wear these spiked shoes. Onward, oh time quickly fly; make me a man or help me to die. This world as it is fills me with woe, but if I were a man 't would be a heaven below.—Ex.
